

My family hero

Tana Davis

Why is he my hero

My grandfather is my hero because at the age of 19 he had a family and he had to get a job so he went to school for 5 years while taking care of his family and he received a good job which helped him live a comfortable life

Grandfather a poem to him

Grandfather you make me laugh you make me smile.

Grandfather , you pick me up when I fall down and one day you'll walk me down the aisle.

You should no you mean the world to me you heart is big your smile is bright and when you're there i know i'm alright.

So when you're down i'll be there when you're cold i'll be there, when you're sick i'll be there just know in will always be there

Ever since i was a little baby my grandfather has taken care of me as if i were his own. When i was little we used to always go downtown and take me to places like the par, the museum, a restaurant and many other places

Thank you
